

## Tentative Program

**08:00-08:30** Registration

**08:30-10:00** **Withholding and withdrawing CPR: The Israeli perspective**  
(90 minute panel)  
Chair: *TBA*  
**How we decided on EMS criteria and what is about to change**  
*Raphael Strugo*  
**The reality of CPR outcomes in Israel**  
*Sharon Einav*  
**Withholding and withdrawing CPR in children: The evidence**  
*Jaques Braun*  
Q&A

**10:00-10:30** Coffee break

**10:30-11:30** **Welcome speech**  
*Sharon Einav*  
**Financial report**  
*Hen Sela*  
**Plenary: Termination of resuscitation guidelines: State of the art**  
*Laurie Morrison*

**11:30-13:00** **Measuring outcomes of resuscitation in Israel** **HALL A**  
(90 minute panel)  
Chair: *Oren Wacht*  
**Prehospital quality measures in resuscitation – Why?**  
*Bentley Bobrow*  
**National health quality measures for prehospital medicine**  
*Anat Zohar*  
**CPR in Israel – Is it cost effective and how can we make it more so**  
*Gary Ginzburg*  
Q&A

**11:30-12:15** **What is new in defibrillation?** **HALL B**  
Chair: *TBA*  
**Automatic external defibrillators for in-hospital defibrillation?**  
*Debra West*  
**Biphasic or monophasic? And how many joules of each?**  
*TBA*

**12:15-13:00** **Developing a culture of resuscitation** **HALL B**  
(45 minute panel)  
Chair: *TBA*  
**Death by CPR. OR: What else can go wrong during in-hospital resuscitation?**  
*Sharon Einav*  
**Long term follow up on patients after OHCA in Jerusalem**  
*Gal Pachys*  
Q&A

**13:00-13:45** Lunch

**13:45-14:45** **What I absolutely need to know about pediatric resuscitation** **HALL A**  
(60 minute refresher course)  
Chair: *Dagan Schwartz*  
**Update on pediatric CPR**  
*Yechezkel Waisman*

**13:45-14:45** **The art of ART (advanced resuscitation training)** **HALL B**  
(60 minute refresher course)  
Chair: *TBA*  
**Are in and out of hospital resuscitation really the same?**  
*Dan Davis*

**14:45-15:15** Coffee break

**15:15-15:45** **Survey on CPR in Israeli Sick Funds (Kupot Cholim)** **HALL A**  
*Eliezer Alkalai*  
Q&A

**15:15-15:45** **Antiplatelet therapy after CPR** **HALL B**  
Chair: *TBA*  
**Antiplatelets in hypothermia**  
*Robert Dragu*

**15:45-17:15** **Is mechanical chest compression the next big thing?** **HALL A**  
(90 minute panel)  
Chair: *TBA*  
**Anything you can do, I can do better – Prehospital mechanical chest compression**  
*Elliot Smith*  
**Mechanical chest compression in the catheterization lab**  
*Ariel Roguin*  
**Mechanical chest compression for organ donation**  
*Jonathan Cohen*  
Q&A

**15:45-17:30** **Practical considerations in resuscitation** **HALL B**  
(105 minute pro-con session)  
Chairs: *TBA*  
**Should the family stay in the room during CPR?**  
Pro: *Oren Wacht*  
Con: *Ariel Ronen*  
**Less oxygen is better**  
Pro: *TBA*  
Con: *Joseph Varon*  
**Targeted temperature management for all**  
Pro: *Joseph Varon*  
Con: *Pinchas Halperin*  
**Paramedics should be part of in-hospital code teams**  
Pro: *Maayan Lanzman*  
Con: *Nechama Kaufman*  
Q&A
